403 - Lord Sebastian Coe signed limited edition print with signing photo Sebastian Coe is one of the great names of British sport with eight world records and two Olympic gold medals during his career. Coe sensationally broke three world records in 1979 in just 41 days: the 800m and mile in Oslo and the 1500m in Zurich. This meant Coe was the first man in more than 50 years to set world records at both 800m and 1500m.<p>The following July Coe added the 1000m record to his list in Oslo, making him the holder, for a short time, of four world records simultaneously.<p>In 1981 Coe broke records again at 800m (Florence) 1000m (Oslo) and the mile (Zurich and Brussels) bringing his total to eight. His 800m world record of 1:41:73, set in Florence in June1981, remained unbroken until 1997. It looked like a 3-2 win for England with Hurst as the hero with the winning goal but in the last seconds, as the Germans were pushing everyone forward to seek the equalizer, Moore cleared his lines with a long ball over the German defence. Hurst ran on to it towards goal, stating later that he intended just to blast it as far away as he could to eat away valuable seconds. He did rather better than that - the shot flew into the net at the near post, completing a stunning victory and a hat-trick which remains unique to this day. There was no time for the Germans to restart the match. Hurst still emerged the hero of the win but as a result of the third goal, became an icon of world football too The referee had put his whistle to his lips as Moore shaped to play the final pass to Hurst. He didn't blow it, however, yet some supporters misheard, assumed the game was complete and started invading the pitch. As Hurst collected the pass, BBC commentator Kenneth Wolstenholme immortalised his own contribution to the day with the most famous piece of football commentary ever: "And here comes Hurst, he's got... (notices invaders) ...some people are on the pitch, they think it's all over! (Hurst shoots and scores) It is now! . Good condition Est. £40 - 50
